News Topics: Future Funding RMHI

A Business Case Proposal for the 4-year period 2020 – 2024 was lodged at the Minister's Office (The Hon. Alannah MacTiernan MLC, Minister for Regional Development; Agriculture and Food; Minister Assisting the Minister for State Development, Jobs and Trade) on the 26th September 2019. RMHI is in its last 9 months of funding (currently funded through to June 2020). RMHI has bi-partisan political and community support for the education and advocacy we deliver to men and community, this combined with our continued relevance as an organization and the excellent product we deliver will, we believe, stand us in good stead to get re-funded.
